WHAT MEN'S CLUB MEANS TO ME

I became involved in the Men's Club through the Tzedakah-thon, a synagogue wide event organized and run by the Men's Club for eleven years. The Tzedakah-thon brought our synagogue together and raised a substantial amount of money for numerous charities that personally touched the lives of many of our members.

I saw the good that comes from participating in something bigger than myself and the unique way the Men's Club could play a meaningful role in the lives of it's members and serve to promote shared values, the exchange of ideas, social programs and learning. Most importantly, I see the Men's Club as a means to keep our Jewish community united and strong. Along the way I've made great friendships, learned a ton, helped others and enriched my life.

REASON FOR THE AWARD

Adam's devotion and commitment to our Men's Club and TBH-BE makes him most deserving of our regional Top Award. Adam embodies the true spirit of our Men's Club since taking on many leadership roles.

Most recently, Adam founded and chaired, Men's Night Out-For-A Cause. Adam's vision for this newly created social action event came to life as he coordinated and united multiple Men's Clubs throughout our immediate area to support the Mitzvah Food Project, which focuses on meals for needy families. He is former Co-President of our Men's Club, 2014-2016; Co-Chair, TBH-BE Tzedakah-thon, 2009-2011; Recipient, Silver Circle Award, 2012, and continues to be a valued member of our TBH-BE community.

Our Men's Club is privileged to honor Adam and we congratulate him on being chosen as our 13th Man of the Year.
