TEMPLE BETH SHOLOM, CHERRY HILL, NJ DR. SCOTT SCHAFER

FAMILY

Spouse: Sydria

Children: Ryan and Marielle

OCCUPATION

Otolaryngologist in Advocare ENT Specialty Center, Marlton, NJ

Scott moved to Cherry Hill, NJ 30 years ago while he was an ear, nose and throat resident in Philadelphia. He and his wife, Sydria, joined the reform congregation where she had grown up. Their children, Ryan and Marielle, were B'nai mitzvah there, and Scott served on the Board and the Capital Campaign.

In the summer of 2006, Scott and Sydria accompanied many of their TBS friends on an Israel pilgrimage with Rabbi Lindemann. During that trip, the Schaffer's were inspired to join the TBS family to further enrich their Jewish lives. Scott was welcomed into the TBS Mens Club, and before he knew it, found himself as Secretary and involved in every Men's Club event, including Steak and Scotch and Jews, Brews, and Views. Scott and Sydria helped chair Rabbi Peltz's installation as Head Rabbi and are active in Hazon.

Scott is a busy otolaryngologist in Advocare ENT Specialty Center in Marlton NJ, where he cares for children, adults and seniors. At TBS, he organized the first Men's Club Healthcare Symposium. Meanwhile, his wife is active on the Boards of the TBS Sisterhood, Jewish Federation and the Jewish Community Foundation. Photographer Scott can frequently be found taking pictures at TBS and Hazon events, including Torah Orah and Hazon rides from Jerusalem to Eilat and closer to home in South Jersey.
