WHAT MEN'S CLUB MEANS TO ME

Being a member of the Adath Jeshurun's Men's Association allows me to follow in the footsteps of my dear late father-in-law Warren Josephs, who once told me that, if we want to see our children become an active member of the Jewish community then it is the duty of every Jewish man to set an example by becoming an active member of his synagogue. My involvement as an active participant in the AJ Men's Association is my great honor to help continue this tradition of a Jewish brotherhood organization.

REASON FOR THIS AWARD

The Adath Jeshurun Men's Association (AJMA) was blessed when Sam Rosenberg assumed the office of Treasurer for our group in 2013. Sam's continuing, highly effective service as Treasurer, through the tenure of now a third Men's Association President, has provided critically needed continuity as our group changes and develops. He has quietly offered wise counsel and enthusiastic support for all of the activities of the AJMA. In addition, Sam Rosenberg, a loving family man, is one of the most positive, cheerful, and modest individuals you'll ever meet. Examine his biographical information, especially his incredibly impressive business honors and accomplishments. WOW!!! The Adath Jeshurun Men's Association scored a home run, touchdown, you name it, when Sam Rosenberg joined our leadership team. The fact that he's a Chicago Cubs fan should not be held against him.
