### **REASON FOR THIS AWARD**

Jerry has been an active and valued member for years. He has arranged speakers and other entertainment for many events, and as a board member has played a key role in the club's success. On top of that, Jerry introduced us to FJMC, and managed our application process to join MAR. It's no exaggeration to say that without Jerry's efforts, the Men's Club of Shaare Shamayim would not be here with all of you today.
