- "Big RIB" Hava Nagrilla Event Chairman

REASON FOR THIS AWARD

For the past three years, Dr. Stuart Gordon has been the driving force behind our synagogue's Men's Club Hava Nagrillas, a Kosher barbecue grilling competition and festival. In 2017 and 2018, thousands of people from all over the country came to our synagogue on a Sunday afternoon in August to participate in the competition and attend the festival. Thanks to Stu's efforts, we raised tens of thousands of dollars for charity and provided an event for the entire community including non-Jews and Jews from all denominations to gather together and have a great time. He energized our own community and got hundreds of us to work together to create a world-class event. We are grateful for Stu's leadership and our honored he is our Man of the Year.
