WHAT MEN'S CLUB MEANS TO ME

Men's Club is a chance to bring people together. It is great to be able to have a bunch of guys gather together to just have a beer, watch a game, or build a garden at the synagogue. But we also have programs that involve others in the family. Donuts with Dad – allowing the fathers of religious school students to have a donut with their kid before Hebrew School Drop off, Daddy Daughter Dance – allowing our daughters to have an amazing evening with just their dad, Rock climbing or the Oy'lympics allowing dads to interact with their kids and be involved, and events like Project Hope – teaching our kids that doing a mitzvah is a good thing and seeing the reaction of the kids when they deliver food to an older person who needs it is amazing.

REASON FOR THIS AWARD

Jeff Workman, always answers the call to volunteer and is there whenever we need help. Jeff makes sure that he participates in both public and behind-the-scenes roles for our events. From his help with the Daddy Daughter Dances, leading the World Wide Wrap, Project Hope, Usher during Shabbat and High Holiday Services, Gabbai during torah readings, Treasurer for our Men's Club or just being a helping hand during the many projects we do around the synagogue, he is always there and ready to get his hands dirty.
