### **WHAT MEN'S CLUB MEANS TO ME**

The Ohev Shalom Men's Club provides me with a sense of comradery and community, a place and a way to form lasting friendships, reunite with old friends and make new ones. In addition, our Men's Club inspires me to become more active in synagogue life and encourage others to do so as well.

### **REASON FOR THIS AWARD**

Steve has been an active member of our club for many years. He has served in various positions throughout the years. Steve most recently has been our Vice President for events and guests. He is instrumental in lining up interesting guest speakers to our events so that we can attract our members and congregants.

He is really instrumental in bringing in the candidates of both parties for our Congressional District to espouse their views before the elections. The 2018 cycle was really a lively event and the most well attended breakfast we had.
