WHAT MEN'S CLUB MEANS TO ME

I am very grateful for the opportunity to be part of a vibrant Men's Club, lead by many of my friends. The Men's Club offers the chance to meet and socialize with so many fantastic members of the Temple Beth Sholom community. Like my parents before me, my role within the TBS Men's Club leadership is my chance to teach my children that to be part of a synagogue community is to volunteer, learn, make friends, and grow.

REASON FOR THIS AWARD

As president, Seth was a dedicated and innovative leader of our Men's Club – a true mensch. Under Seth's guidance, all facets of our Men's Club became even stronger – from programming to membership to event attendance. Seth's commitment to our Men's Club was to the benefit of so many within Temple Beth Sholom and we are most appreciative for all he has done. At the same time and above all, Seth is a family man first.

A friend for some two decades, it is a great pleasure to select Seth for this most deserving honor.
