### **REASON FOR THIS AWARD**

Jacob Sitman is the self-proclaimed biggest fan of the Tottenham Hotspur Football Club on this side of the pond! When he's not rooting for his favorite soccer team, Jake is extremely active in synagogue leadership serving on the Executive Committee for many years, currently as a Executive Vice President. For our Men's Club, Jake is a selfless volunteer who reliably pitches in, showing up when we need him most with everything from grilling under the sweltering sun to serving as our club's head of the beer selection committee. We are so fortunate to have Jake among our ranks and offer heartfelt congratulations on this well-deserved recognition.
